[REDACTED] second boy is in hospital right now with bleeding in the brain. emergency surgery. please do not call julie and bother her.. i will look for a flight immediately home

HT

Omg! That sounds scary! I hope he will be okay! Keep us updated!

HT

Another surgery in a few weeks  
🙄 I hope it's nothing serious  
and hope he gets better!

Dad

D

I hope best !

Leon Tam

Thanks for the update

[REDACTED] is in therapy now. Last night he moved his right leg knee up but couldn't get it to go back down. I'm so proud of him

Good job, [REDACTED] 🙌 So happy to see him smiling.
